Proceedings
At the outset coordinator Dr. Sudarshan Sahu briefed the

members about the progress of various initiatives taken during the year. He stated that - our progress with regard to syllabus uploading, use of IT facilities, house assignments, conduct of blood donation camp, Beautification of hostel and college campus, conduct of seminars etc. is quite satisfactory. However the proposal for the automation of examination system was not accepted at the govt. level as Govt. is raising points to the huge cost of Installation.

② It was unanimously decided to collect feed back from stakeholders especially students, parents and alumni for the purpose of fulfilling the requirement under IQAC. It was decided to conduct such survey within a week of this meeting.

③ The feed forms meant for conducting the survey were approved and signed. The meeting was ended with a vote of thanks to the chair & members.

Report on Feedback from Students, Parents and Alumni for 2019-20

Prepared and submitted by IQAC

The following is the report based on the analysis of responses as obtained from students, parents, and alumni. The sample size for feedback from parents and students was 100 each. The sample size from alumni feedback was fixed at 50. The form of feedback was approved by IQAC in its meeting dated 26-02-2020.
1. **REPORT BASED ON RESPONSES FROM STUDENTS:** Majority of the students considered the college as very good on the eight parameters as listed in the analysis sheet. Highest 40% ranked hostel accommodation as very good which was also ranked excellent by 30% of students. The poor rating was obtained for library, students support services, extracurricular activities. 55% of students considered extracurricular activities as poor.

2. **REPORT BASED ON PARENTS FEEDBACK:** Majority of parents graded the college as good. The highest percentage was 36%. The highest average ranking was given by maximum 33%. 40% of the parents consider career guidance as poor and 33% considered as average.

3. **REPORT BASED ON ALUMNI FEEDBACK.** The following maters are remarkable in the responses obtained from alumni.
i)   60% consider admission procedure as excellent
ii)   68% consider lab facility as poor and 42% considered it average
iii)   Overall rating of the college was considered good by 45% and average by 40%
iv)   Their own association was considered good by 55%

4. **CONCLUSION:** The following conclusions emerge from the above reports
    1. Students were dissatisfied with respect to functioning of library, extracurricular activities and students' safety and security in the campus.
    2. Parents seem to be dissatisfied with the career guidance for their wards. They also considered functioning of the college at an average level.
    3. Alumni were severely dissatisfied with respect to lab facilities, library facilities and fee structure. Their ranking of the college was at the level of good by maximum 55%. Only 20% considered it very good.

5. SUGGESTIONS FOR FOLLOW UP MEASURES:

The following measures are being suggested as remedial measures for dissatisfaction among students, parents, and alumni.

1. Filling up of the vacancy position in teaching, library, and laboratory for enhancing quality of education.
2. Improvement is required for campus security, mentoring of students and student support services.
3. Career counseling cell needs to function much frequently to address career consciousness of students. A placement cell may be formed immediately and scope for campus recruitment may be explored.
4. Examination fees may be maintained at the present level at least for two coming years
